at First United Methodist Church ~ 211 Washington Street ~ Frankfort**

FUMC sees art as one of its community services and a new facility has designated space for featuring art exhibits and events. They've chosen a selection of our 2009 exhibitors to present at their "First at First: An Evening of the Arts" series, which includes a jazz service.

Marcie Christensen and a few of the artists will be on hand June 7th to talk about the exhibit and the Festival before the service.

The exhibit was installed on May 17th and will remain up until the Closing Reception on June 25th.

It looks great! Check it out and tell your friends!
